

GINASTRO Textile band

APPLICATION

Pipelines fixing on the floor.

FEATURES AND BENEFITS

- > Made of **synthetic fiber**, this textile perfectly merges the need of a solid fixing with the one of a soft touch when in contact with the pipeline.
- > Larger and thicker than traditional bands for a **greater resistance**.
- > Its **bright colors** make sure it is perfectly visible at the building site.
- > Thanks to its **measuring box** it is possible to precisely cut the tape band installation.
