# PIPE CLAMPS FOR FLUE PIPES AND DRAINPIPES

## PIPE CLAMPS AND PIPE LINES FIXINGS

### MATERIALS TECHNICAL DATA

#### PIPE CLAMP

Steel DD11 EN 10111 - galvanized or painted

#### GIOLLI PLUG

PP Polypropylene

#### SCREW

Steel 4.8 EN ISO 898.1 with electro zinc-plating 7-8 µm

### INSTALLATION TOOLS AND RECOMMENDATIONS

In order to install the plug properly, make a hole perpendicularly to the base support using the right drill bit.

Before installing the plug make sure the hole is clean and all the drilling dust has been removed.

We recommend not to use an impact drill while making the hole on an hollow brick wall in order to prevent the internal bulkheads break.

Insert the plug and then the screw. End the installation by fastening the nut and hooking the plate to the coupling screw. Grip the band to the screw.

### PACKAGING

In polyethylene bag
