

## AZZURRA - Universal preassembled bracket for wall hung bidet

### APPLICATION

Wall hung bidet fastening and installation on **masonry**.

### FEATURES AND BENEFITS

- > **Exclusive patent:** suitable to fasten any kind of joint, including drop elbows.
- > **Preassembled** for a fast installation.
- > **The plate - vertically adjustable** - is set at the best height for most of the bidets sold in the marketplace.
- > **Compact:** it only takes 33,5 mm of space and it can be installed in 8 cm thick walls, without breaking both walls.
- > **Solid:** complete with double cross plate and strategic supports to make it even more reliable.
- > **Multiple ways** in which it is possible to install elbows and joints.
- > Provided with **insulated pipe clamp**.
- > **Epoxy coated** to ensure a good resistance to high temperatures, chemical components and corrosion.
