

SCL 560

Adjustable support bracket for air conditioning units

APPLICATION

Air conditioners fixing on wall.

FEATURES AND BENEFITS

- > It reduces vibrations thanks to the high quality **EPDM professional supports** and the rubber dampers that lean against the wall.
- > **The wide crossbeam** ensures a comfortable and reliable support.
- > It guarantees the support of high payloads thanks to its **strong metal sheet, folded and with rib**.
- > **The wide holes** ensure a handy installation.
