

BIANCA Universal preassembled bracket for wall hung wc and bidet

APPLICATION

Used to fasten wall hung sanitary fixtures on masonry.

FEATURES AND BENEFITS

- > **Same** bracket for the installation of both wall hung wc and bidet.
- > **Pre-assembled bracket** for a fast installation.
- > **Universal:** suitable for most of the sanitary systems that are produced on the market.
- > **The exclusive patented plate** - together with its accessories - allows to clamp the wc drainage pipe lines, the bidet drainage pipe and the hot and cold water feed pipe lines.
- > **Adjustable** on a center-to-center distance between 180 mm and 230 mm.
- > It is designed to bear a **load of 400 kg**, according to the UNI EN 997 and UNI 8950/2 regulations for wall hung wc and bidet.
