

### G80

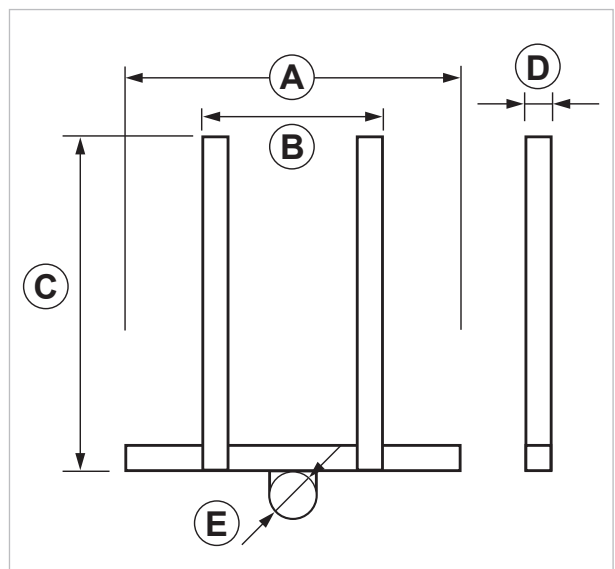

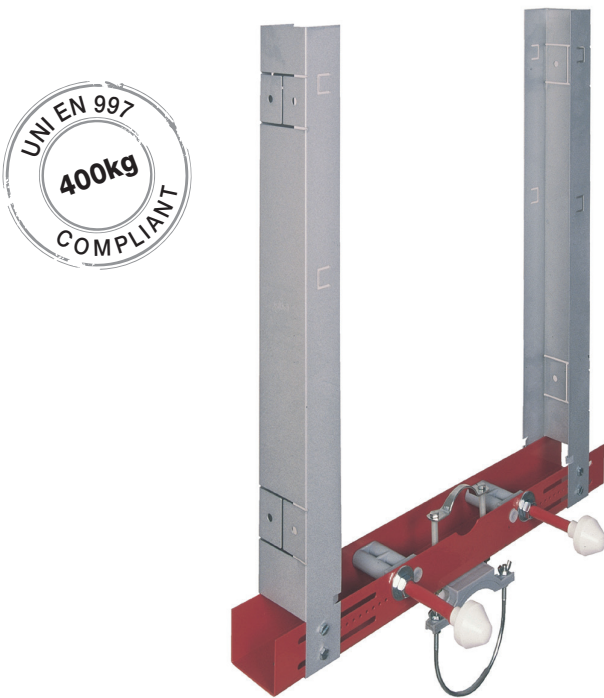

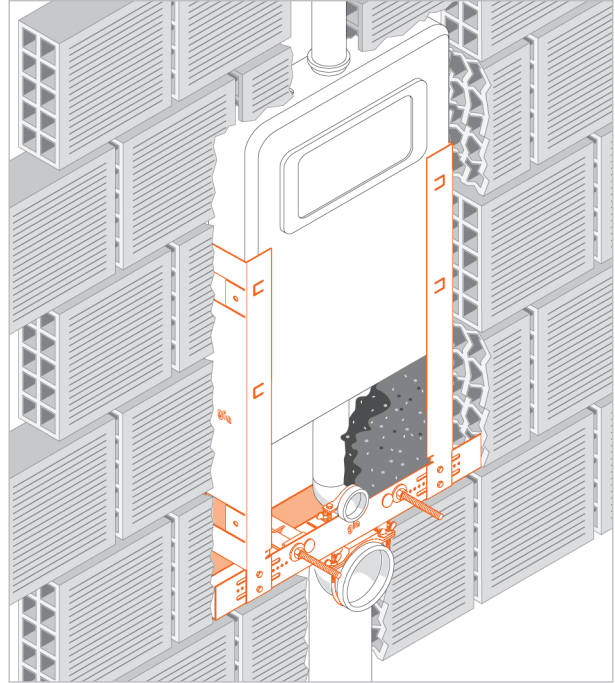

#### Universal bracket with recess flushing cisterns' support for wall hung wc

##### APPLICATION

Used to **fasten recess flushing cisterns** and provided with support bracket for wall hung wc, on walls 80 mm thick.

##### FEATURES AND BENEFITS

- > Robust and preassembled, it is particularly suitable for a fast and reliable installation of **wall hung wc with recess cistern**.
- > **Universal**: it fits any kind of recess cistern about 70-80mm thick.
- > **Adaptable** to centre-to-centre distance between 180mm and 230mm, it can be adjusted even when the wall has been completed.
- > Designed to fit the dimensions established by the UNI EN 38 regulation.
- > Provided with special hook to fix drainpipes of 90mm and 110mm diameter.
- > Every package is completed with **installation instruction**.
- > Please note that the structure does not stand on its own.
